Company Profile

Description

: Saqib Rashdan Jaya is a company engaged in the manufacture and trade of palm sugar. We take inspiration from Indonesia's natural wealth, especially in processing palm sugar into high-quality products that support a healthy and sustainable lifestyle. With a commitment to innovation, excellence and sustainability, Saqib Rashdan Jaya has a vision to become a leader in the palm sugar industry, both in terms of product quality and positive impact on the environment and society. Mission: Superior Quality: We are committed to producing high quality palm sugar with modern and controlled production processes, as well as careful selection of raw materials. We maintain the quality of our products to the highest standards so that our customers always receive products that meet their expectations. Continuous Innovation: We always strive to develop innovations in products and production processes. By utilizing the latest technology, we aim to improve production efficiency and create new palm sugar-based products that can meet the needs of modern customers. Empowerment of Local Farmers: We support local farmers in cultivating palm trees and extracting sap. Through training and mentoring programs, we seek to increase farmers' knowledge and skills in sustainable and environmentally friendly agricultural practices. Environmental Sustainability: We integrate sustainability principles into all aspects of our business. From managing production waste to using renewable energy, we strive to reduce negative impacts on the environment and play a role in conserving natural resources. Community Engagement: We are active in various social and community activities. We are committed to making a positive contribution to our surrounding communities through education, welfare and local economic development programs. Values: Quality: We adhere to the highest quality standards in every product we manufacture. Innovation: We drive innovation as the key to continuously growing and meeting changing market demands. Partnerships: We build mutually beneficial relationships with our growers, customers and business partners. Sustainability: We are responsible to the environment and society, and strive to create a positive impact in the long term. Integrity: We conduct business with high principles of ethics and integrity. Saqib Rashdan Jaya is a place where innovation, quality and social responsibility come together in an effort to create industry better and sustainable palm sugar. We are proud to be part of the positive changes in this industry and are committed to continuing to provide the best products and contributions to society and the environment.
