Company Profile

Description	: UD Dian Perkasa is a sole proprietorship company engaged in the production of natural herbal snacks made from kedaung seeds, a typical Indonesian plant known since ancient times as a natural herb to maintain digestive health and increase endurance. Our products are presented as an innovation in health-based light snacks with a hygienic production process, without preservatives. We promote local uniqueness to reach the global, modern and healthy market. Kedaung herbal snack products are a natural heritage of the archipelago that has great potential to answer the needs of a modern healthy lifestyle at the global level. Through tradition-based innovation, we produce natural, nutritious, and delicious herbal healthy snacks, and are free from chemicals.
