Company Profile

Description	: Miumosa is an Indonesian design company with a powerful narrative about local culture that promotes women's pride, local challenges, and craftsmanship. As a part of our commitment to preserving cultural heritage, we have reimagined the Kawung Pattern - one of Indonesia's oldest motifs into our trademark design Kawung Miumosa. Identified as 'Local Luxury, Pride Miumosa,' the avant-garde design alludes to a wide variety of premium to high-end products, such as iconic stiletto heels and accessories including handbags, purses, hats, ties, scarves, socks, and more. These goods are readily recognizable by signature Batik Kawung Miumosa and Monogram Miumosa.
