D. I. YOGYAKARTA - INDONESIA

Company Profile

Description	: Agradaya produces various herbs and spices, such as spices powder, tisane, and latte, which benefit the body. We contribute to sustainable nature by implementing natural agroforestry in our plantation process. We focus on developing biopharmaceutical plants with smallholder farmers in Indonesia. We have worked with more than 200 farmers to cultivate and process biopharmaceutical plants such as ginger, Turmeric, and Java Turmeric (Curcuma). Our product has a health benefit that comes from natural ingredients. 100% natural and produced from selected local plants without artificial ingredients.
