Company Profile

Description	: We hold the belief that business is a force for good. Together with our farmers, we develop organic products and supply chain based on the values of sustainability, fairness, and community development. We cooperate with more than 2500 organic farmers in various regions in Indonesia such in Java, Bali and East Nusa Tenggara. All products come directly from organic farmlands. Our Vision is to develop integrated organic farmlands with our farmer partners by producing organic products based on fair trade relationship and support the sustainability of the farms.
