

HUGO INOVASI, CV

Tumiyang Village, RT 01 RW 03, Kebasen, Banyumas,
CENTRAL JAVA - INDONESIA

Company Profile

Description	: Hugo Inovasi CV is manufacturer and exporter of coconut based product especially coconut sugar. We produce chrystal coconut sugar, coconut nectar, cube coconut sugar, block coconut sugar, virgin coconut oil, coconut chip and also provide fresh coconut. We work together with local farmers, communities, and business partners to create high quality products and deliver them to the world. Our company is located in the Central Java region, Banyumas Regency, which has been producing sugar for generations since thousands of years ago. We really understand the farmers and the culture. We are proud to have developed a sustainable supply chain of coconut and it is derivatives. We work together, we harvest coconut sap every day using production practices that protect the soil and protect trees, it is because our earth is precious.
